Municipal Office, Mangalore,
Dated the 4th May 1946.

From

Sri M. Narayana Shenoy, B.A.B.L. 33513
Commissioner, Mangalore Municipality.

To

The Secretary to the Government of Madras,
Local Administration Department,
M a d r a s,

Through

The Director of Public Health, M a d r a s
and The Chairman, Municipal Council, Mangalore.

Subject: Tenders - Dispensing with - for supply of night soil bins by Government Trades school, Mangalore - sanction - sought for.

Rule 1 of the rules for the invitation and disposal of tenders relating to supplies of materials, goods etc. to municipal councils embodied in the statutory rules prescribed certain limit of cost up to which municipal councils may dispense with the system of calling for tenders for supply of materials etc. Accordingly this Municipal council resolved to dispense with the tenders for supplies costing not above Rs.300/-

The Municipal council in its resolution No.21, dated the 15th April 1946, copy enclosed sanctioned the purchase of 100 night soil bins from the Government Trades school, Mangalore, at a cost not exceeding Rs.1,000/- without calling for tenders. As this procedure would be a departure from the rule referred to above, I request Government may be pleased to issue necessary orders in the matter.

P.T.O.

In this connexion, I invite a kind reference to G.O.No.553, Development Department, dated the 4th March 1938 wherein Government have opined that the 4 Government Industrial schools in the Presidency including the Government Trades school at Mangalore are worthy of encouragement by local bodies and they accordingly commended to all District Boards and Municipal Councils the desirability of extending their patronage to these industrial institutions as far as possible by purchasing the articles manufactured in them or utilising their services for such works of the local bodies as the Institutions can attend to. They further stated that if in any individual case compliance with the above recommendations would involve a departure from the rules or orders inforce, the Government will be prepared to sanction their relaxation to the necessary extent. In view of the aforesaid Government order I request Government may be pleased to accord sanction to the council's proposal to purchase the bins from the Government Trades school without calling for tenders.

The orders contained in G.O. No. 553, Development, dated 4th March 1938 were passed before the issue of the Statutory Rules. As the total cost of the supply exceeds the limit fixed for dispensing with tenders in G.C. No. 2492 L.A., dated 11th September 1941 as amended, the irregularity has to be specifically condoned by Government. Reference is in this connection invited to the orders in G.O. No. Ms. 1465, P.H., dated 2nd June 1945 in a similar case.

For Examiner of Local Fund Accounts.
